A **SOPHISTICATED** FEEL WITH A YOUNG SPIRIT

The story of professionals

FARAMA is a company with a team of young designers and planners who wish to try and change the unsustainable, passé dynamics that have long established people's ingrained habits. We wish to reach for this goal while retaining a high degree of respect for the environment and creating a digital location where focus on nature is combined with high-quality, beautiful strictly Made in Turkey - pieces.

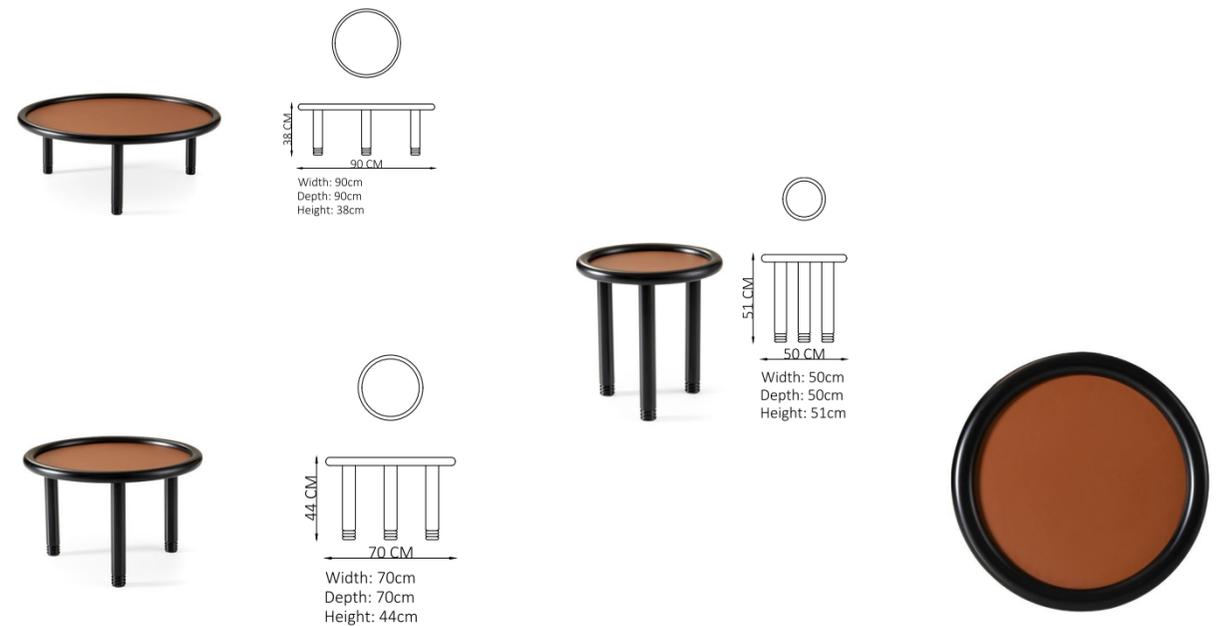

PS-1001-B
