Çevre dostu yeni nesil kapılar
Environmentally friendly new generation doors
مجموعة جديدة من الأبواب

farama Kapı, bir ERTEKPA Grup şirkettir. ERTEKPA Grup, 1997'den bu yana Kayseri Organize Sanayi Bölgesi'nde hizmet vermekte olup inşaat ve tekstil alanında büyük başarılar elde etmiştir. farama Kapı olarak en son teknolojiye sahip makinalarla PVC panelleri, pervazları ve kasaları kendi tesisinde üretmektedir. Yıllık 50.000 adet PVC iç oda kapı üretimine sahip olan firmamız kaliteye, argeye büyük önem vermekte ve hız kesmeden devam etmektedir.

Kalite politikamızın temelinde arge ve kaliteli ürün yaparak müşteri memnuniyetini sağlamaktır. farama Kapı olarak, yurtiçi ve yurtdışı fuarlarını yakından takip ederek her zaman güncel kalmayı ve teknolojiyi takip etmeyi kendine prensip edinmiştir.

farama Door is a member of the ERTEKPA Group Company. ERTEKPA Group that serves Kayseri Organized Industrial Zone has achieved great achievements in the construction and textile field since 1997.

As the farama Door produces PVC panels, moldings and safes with the latest technology machines in our own facility. Our company that has the production of an-nual 50,000 units PVC interior room doors attaches great importance to quality and R & D (research and development).

On the basis of our quality policy is to ensure customer satisfaction with doing R & D works and making quality products.

As the farama Door Company that closely follow domestic and international fairs always obtains the target to stay current and keep up with technology."
