wooly

Wooly, is the perfect combination of substance and form, the sofas and poufs boasting a comfortable and enveloping design ideal for meditation and relaxation. The breadth and depth of the seat is balanced by its thin feet for an agile and slender overall effect. In the Wooly sofa the leather upholstery, pleasantly wavy thanks to a series of vertical folds, is embellished along the edges and external surfaces by contrast stitching, giving it an extra touch of refined elegance.

damla

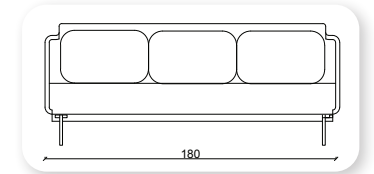

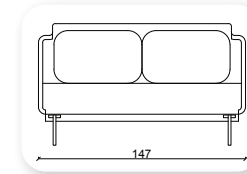

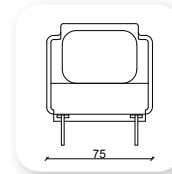

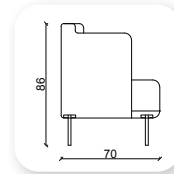

What makes a sofa great is everything that cannot be seen - suspension, composition of the foam and durability of the upholstery. Bümob Studio has given all of these components high priority when designing Damla. The high arm rests and deep seat make Damla ideal for relaxation. On one hand a sofa has to be a comfortable place to sit. On the other hand it needs good design, which is dependent on the proportions

yalin

This sofa collection is a proposal that goes beyond formality and clearly focuses on functionality. Yalin is more than an aesthetic concept, it offers functional complements, such as fixed or mobile auxiliary tables integrated into its frame. The initial concept, an essential sofa with a corporate character, has been enriched by a continuum of wood on the sides.
