ABOUT US

The farama Young Room Company was established in Kayseri Hacilar Organized Industrial Zone. Our company is a group company within the structures of DAFNES, INDOLE and MADALYON furniture. Our company has a large production area of 98,000 square meters, storage areas and advanced production line. The purpose of the company's establishment is to produce quality-oriented, modern designed young rooms that will decorate the dreams of every young person, appeal to the global world.

It is to design modular furniture that consumers will demand and to present it to people's liking. Our company has trained qualified personnel of about 720-750 people, exports 90% of its sales and addresses 30 different countries in Europe, the Middle East and Africa.
