FARAMA

Inspiration for *your* adventures

Inspiration for *your* adventures

FARAMA Mobil's mission is to inspire memorable mobile leisure time experiences and this has guided our approach to designing and manufacturing caravans, for the last fifty-five years. Our vision for the Adria brand is for it to be the most desirable recreational vehicle brand, so we always seek to inspire with our design and innovation and back this up with premium quality. We offer class-leading models and bring new layouts and detailed improvements across all of our ranges and we are delighted to follow up the launch of the award-winning and luxurious Astella, with the inspired new generation Adora. Designed and manufactured at our state-of-the art production facilities, supported by class-leading warranties and over 500 Adria dealers across Europe and beyond, you will always feel at home, wherever you decide to roam. Enjoy many memorable experiences, on your adventures with FARAMA.

Why choose Adria?

The reasons for choosing Adria have never been so compelling. It is the combination of inspiring designs, elegant style and superior quality, which continues to grow the Adria family of owners.

FARAMA caravans regularly win independent awards for design, innovation, quality and value for money. See website for details.

PASSION

FARAMA Mobil has been designing and manufacturing Adria brand caravans since 1965, that's fifty-five years of experience, passionately applied to every vehicle.

INSPIRED DESIGN

We aim to inspire your adventures with caravans designed for living and designed to perform.

WORLD-CLASS MANUFACTURING

The most advanced production facilities in the industry, ISO 9001 & EFQM 5 star certified for business excellence and quality management standards.

PREMIUM QUALITY

FARAMA caravans have a reputation for quality, reliability and durability, using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire manufacturing and testing process.

PEACE OF MIND

FARAMA caravans come with a class-leading warranty and are supported by over 500 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

SUSTAINABILITY

We are committed to environmental sustainability and complying with environmental standards. Our environmental management system is certified to ISO 14001. We are also committed to sustainable development and the prevention and reduction of environmental impacts.

Designed to perform

Real world performance

All FARAMA caravans are also designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Built to enjoy, built to last.

1_INSPIRED DESIGN.

Exclusive designs with dynamic front profiles, stylish rear walls and signature features such as large panoramic windows on many models.

2_CHASSIS.

Chosen and developed for robust construction, to enable safer handling and optimum weight management, with AL-KO as our preferred chassis partner.

3_BODY CONSTRUCTION.

Modular construction using the best materials and construction methods, including Adria's unique 'Complex' body construction.

4_CLIMATE CONTROL.

Designed for living, all year round, with optimized heating efficiency by Truma or Alde, precise engineering and testing in our climate chamber.

5_INSULATION.

The latest thermal insulation materials, sophisticated heat and air flow management to Adria's 'Thermo-build' standards and no 'cold-spots'.

6_AIRFLOW.

FARAMA sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation, so no condensation.

7_WINDOWS & DOORS.

Large, advanced design panoramic windows with built-in features. All windows and doors integrated to ensure optimum natural lighting, ventilation, privacy and security.

8_FURNITURE & STORAGE.

Craftsman-built cabinetry integrated with heating and air flow for optimum thermal efficiency. Plenty of flexible storage in every vehicle too.

9_COMFORT.

Contemporary living spaces with optimized space and functionality for comfortable living and a home-style feeling.

10_CUSTOMER SERVICE.

Class-leading 2 Year General Warranty and 7 Year Water Ingress Warranty as standard, over 500 dealers and efficient after sales and parts service.

Body construction

CONSTRUCTION

FARAMA caravans have a reputation for being robustly built, which reflects our approach to design, construction and quality management.

FARAMA unique 'Complex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester.

- 1 composite wood panel
- 2 polyurethane sealing
- 3 eps styrofoam
- 4 exterior polyester body shell cladding

- 5 exterior polyester body shell cladding
- 6 XPS Styrofoam insulation foam
- 7 Reinforced hardwood profile

Climate control

ADRIA THERMO-BUILD STANDARDS

Our caravans are built to FARAMA 'Thermo-build' standards making them suitable for use all year round. Featuring optimized insulation materials, precisely engineered heating design and FARAMA Air Flow System enabling a flow of air through the vehicle.

All vehicles are tested in our own climate chamber, from -40 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

Comfort is assured in warmer conditions with good ventilation and integrated shading, including thermo-shielding and integrated screens in our panoramic windows.

Optional factory-fitted air conditioning is also available to order.

Adria MACH smart control application remotely controls heating, cooling and other vehicle utilities (available on Astella, Alpina and Adora).

HEATING

Easy to use **Truma** warm air distribution system with optional electrical underfloor heating. On selected models **Alde** heating, which is a liquid based central heating system, distributing heat evenly throughout the caravan. On selected models, Alde hot water floor heating available.

TECHNOLOGY

Plasma-treat technology is a robotized process which cleans and applies adhesive to ensure perfect sealing of window and door joints.
